Re: Request to Defer Consideration

On January 11, 2016, I filed with the Commission a Motion to Vacate Hearing Examiner Lawrence's *sua sponte* Stay Order No. 8844. I requested that the Commission hear that Motion eight days later on January 19, 2016. Hearing Examiner Lawrence then asserted jurisdiction over my Motion to Vacate. As a result, on January 12, 2016, I filed a Petition for Interlocutory Review of the Hearing Examiner's actions and requested that the Commission also hear that Petition on January 19, 2016.

I subsequently learned that the Commission would not hear my Motion to Vacate or Petition to Review on January 19, 2016, but rather on February 4, 2016. I earlier committed to giving a public presentation and a guest class lecture at the University of Massachusetts at Amherst at the University's invitation and expense, and had purchased airline tickets for the same. Under Commission Rule 2.165, if no Commission "action" occurs within 30 days of the filing of a Petition, the Petition is deemed denied. As a result, the Commission staff concluded that it was unable to re-schedule these matters on its own accord until the next Commission meeting on February 23, 2016. Separately, by email dated January 14, the Hearing Examiner expressed his preference that this matter not be heard before February 23, 2016.

I thus respectfully request that upon calling this question on February 4, you defer substantive consideration of these matters until February 23, 2016.

Respectfully submitted,

Jeremy Firestone
